

DAY-1 20th March

“Arrival & Orientation”

The participants from Cambodia, Laos, Myanmar, Philippines, Thailand and Vietnam have landed safely in Japan. As they arrived at the Yoyogi Olympic center, they were warmly welcomed by the Japanese participants – finally, the 7 countries have gathered! The first thing they did after having their very first lunch together at Cafeteria Fuji, was the most important thing – getting acquainted!

Thant provided useful information for the next 7days, introducing all the staffs at the Orientation. We also had the “Japan lecture” by Mr. Omori from TIFO. Not only the basic information of culture and food, but also how the country - where tradition and technology meets, has developed.

DAY-1, ended with the traditional dance from Ama – Kinnyamonya.
Toshiba Youth Club Vol.3 has just begun, more adventures to come!

All the participants from ASEAN countries have landed safely at Narita airport!

Welcome to Japan everyone!

Kinnyamonya dance to exercise and have fun.
