## DAY-1 22nd December

## “Arrival & Orientation”

Welcome to Japan everyone! All the participants have arrived Olympic Center safely on 22nd December 2019. We are excited that you all are here! It will be a challenge but really hope that it will be a great experience for all of you!

On Day-1, the participants learned more about Organizer’s activities and the importance of thinking about the future of Asia. They also had a chance to learn more about Japan and its culture before getting to know more about each other.

All the participants from ASEAN countries have safely landed in Japan
